

# Holtsmere End Junior School Sports Funding 2017-2018

## The Rationale for Sport at Holtsmere End Junior School

Physical activity not only improves health, reduces stress and improves concentration, but also promotes correct physical growth and development. Exercise has a positive influence on academic achievement, emotional stability and interaction with others. Therefore both teachers and children should be aware of its importance. We provide the broad and balanced programme of physical education we believe every child should have; with activities designed to be enjoyable, vigorous, purposeful and regular. Through providing positive experiences, a lifelong interest in physical activity is encouraged. The range of physical activities on offer at Holtsmere End Junior School is designed to be as wide as possible and currently includes athletics, dance, games, gymnastics, fencing, Karate and outdoor education.

Through the provision of sport and PE at Holtsmere End Junior School we aim to:

1. Promote a healthy and fulfilling lifestyle by developing self-motivation to take part in physical activity outside school as recreation:
  - \* by developing a positive attitude and interest in a wide range of physical activities.
  - \* by raising awareness of issues regarding Health Related Fitness.
2. Contribute to the physical development of each child: size, strength, fitness, speed, gross and fine motor skills.
3. Help establish the individual child's self esteem and confidence.
4. Develop social skills through co-operating in groups, playing fairly to rules, mixing with children within or outside school that may not be encountered in other contexts.
5. To foster a spirit of 'health competition' within our school community by ensuring that every class includes Level 1 competition (competition within the school) as frequently as possible but at least termly.
6. To ensure children have the opportunity to take part in before and/or after school sports clubs, as well as external competitions and tournaments as frequently as possible.
