Promoting British Values at Holtsmere End Junior School

The DfE have recently reinforced the need *"to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs."*

The government set out its definition of British values in the 2011 Prevent Strategy, and these values have been reiterated by the Prime Minister this year. At Holtsmere End Junior School these values are reinforced regularly and in the following ways:

Democracy:

Democracy is clear within the school. Pupils have the opportunity to have their voices heard regularly through our School Council and regular Pupil questionnaires. The elections of School Council Representatives for every class and Head boy and Head girl elections are annual events.

The Rule of Law:

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws; that they govern and protect us; the responsibilities and that this involves the consequences when laws are broken. Visits from authorities such as the Police are regular parts of our calendar and help reinforce this message.

Individual Liberty:

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through of provision of a safe environment and empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advise how to exercise these safely, for example through our E-Safety and PSHE lessons. Whether it be through choice of challenge, of how they record, of participation in our numerous extra-curricular clubs and opportunities, pupils are given the freedom to make choices.

Mutual Respect:

Part of our school ethos and behaviour policy has revolved around Core Values such as 'Respect', and pupils have been part of discussions and assemblies related to what this means and how it is shown. Posters around the school promote respect for others and this is reiterated through our classroom and learning rules, as well as our behaviour policy.

Tolerance of those of Different Faiths and Beliefs:

This is achieved through enhancing pupils understanding of their place in a culturally diverse society and by giving them opportunities to experience such diversity.

Trips to different places of worship have been regular across the school and have included a Hindu temple and a Synagogue. Assemblies are planned in advance to incorporate important dates in religious calendars.
