21 SEPTEMBER 2018

Message from Mrs McGuigan

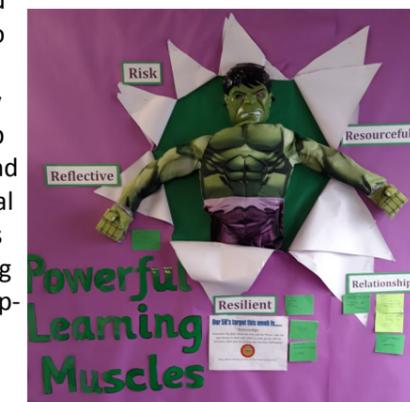

The school year has started positively with assemblies that focus on expectations for the busy year ahead. We hope that your children are feeling positive and that you as parents feel well informed following the welcome meetings held last week. Please do remember we have an open door policy and the relationship between parents and school is an essential and important to us as it is a contributing factor leading to happy, successful children.

The children have had an assembly all about building our learning muscles already this term.

Children have learnt all about the difference between growth mindsets and fixed mindsets.

We know that in order to fulfil the potential of our children and encourage them to become confident and resilient learners we, as a team of parents, carers and staff, need to be modelling the mindset of a learner who

is not afraid of making mistakes but who thrives upon them, knowing that this is all part of the learning process. The way in which we encourage children to learn and explore is vital to their success, not only at school but at home as well.

We know that children who have a positive attitude towards their learning will make good progress and be successful. Consequently, instilling all our children with 'growth mindsets' will continue to be a key priority for the school for this year.

Our aim is for all our children to relish challenges, embrace their mistakes as part of the learning process, value the importance of effort, respond carefully to feedback and take inspiration from others. This will help them to achieve, not only with us, but also in their future lives as adults.

We consistently endeavour to challenge and develop the attitudes of all children and staff towards learning by considering what makes a successful learner.

Parent Volunteers

Inspiring millions of young people across the country to take part in appropriate competitive schoolsport

Thank you so much to parents who have volunteered to help with reading, it is very much appreciated.

Individual Photos

Individual school photos will be taken on Friday 28th September, please ensure your child is in full school uniform.

Year 3's First Impressions

I have enjoyed getting awards in the Friday assembly. It is fun when we do secret Student because we may get a prize. Millie

I have enjoyed English because it is fun. I love year 3 because all of the teachers are kind. Rosa.

I am looking forward to homework and the best thing about year 3 is maths and English. James

The best thing about year 3 is meeting my buddy. Sam R

The best thing about year 3 is English because I love learning. I have enjoyed maths. I like play in lunch time and break time. Mia P

The best thing so far is PE. I have enjoyed English and I am looking forward to the clubs. Louie B

I have enjoyed ukulele when we sang a song about everyone's name. I also like it when we did PE with Mr Mole. Gracie

I enjoyed PE when we were throwing the tennis ball. The best think about year 3 is playtime and afternoon groups. Nikkia

I enjoy maths and English in year 3. I feel older because I am in the top level. Abbie.

The best thing about year 3 is that I have enjoyed English and maths. Mayson

Parent Governor

We have a vacancy for a Parent Governor in January, if you are interested and have a few hours to spare please come into school to discuss further.

Governors can make important contributions to the effective running of the school, supporting the head teacher and staff in the best possible standards of education for all children.

Communications

Most communications from school come through Parentmail, this is working well so please make sure you are signed up. Learning review appointments will be after half term and you will be able to book your child's appointment through this app.

All payments for trips, dinner money etc go through School Gateway app.

Yr 6 PGL Trip

First deposits have been paid.

Our interim deposits are due at the end of October which would be approx. 1/3 of the total cost.

Please ensure you have made enough payments to cover this. Your child's place is at risk if payments are not kept up todate. Thank you.
