22ND SEPTEMBER 2017

Message from Mrs McGuigan

Welcome back, the Summer holidays already feel like a distant memory however the new term and new school year have started well. Thank you to all of those parents and carers that were able to join us for the 'Welcome to the Year group' meetings held earlier this week it was good to see so many of you. If you were unable to get to the meetings then we are hoping to put the information on the website very soon. If you have any questions at all then do drop in after school and talk to your child's teacher.

What's new this year?

Value of the Fort-night!

An new initiative introduced this term to compliment our already existing 5 R's, which are about improving learning behaviour. The 6 school values include; kindness, re-

spect, empathy, consideration, appreciation and patience. Children will be awarded golden tokens by any of the school staff as well as by visitors and by the School Council if they show this value. The collection boxes are in each classroom.

The tokens are counted at the end of the fortnight and the class is awarded additional play-time! As an extra reminder for the children there are also 'Value cubes' on display on every table at lunchtime.

Do you have some time on your hands?

We are desperately looking for any parents or even grandparents who may be able to spend some time supporting reading in the school. It would need to be first thing in the morning. Any volunteers would need to be subjected to the safeguarding checks in order to be able to do this. If you are interested we would be extremely grateful if you could put a note in your child's link book.

Now the wet and cold weather seems to be here please make sure your child has a coat in school **every day**

Don't forget to Like us on facebook

Reminders

This first newsletter is a great opportunity for some housekeeping reminders!

As we begin a new school year we would just like to remind you all of some of the basic rules and routines we ask you to be mindful of to help the smooth running of the Junior school.

- All parents/carers and children should **vacate the school premises as soon as possible** each day to allow us to make the site secure for our After School Clubs to use
- Children arriving late to school (after the doors are locked at 8.50 am) should be signed into school via the school office by a parent or carer.
- Children not collected from school ten minutes after the end of the school day are to be collected from the school office – if you know you are going to be late please **phone** and tell us .
- Leave in Term Time requests should be completed on the relevant form and submitted well before the date, and parents/carers return to the school office to sign the decision form before the date – leave will **ONLY** be granted for “exceptional circumstances”
- No cycling or scooting on the playgrounds before and after school
- We are a NUT FREE school and a HEALTHY school
- No smoking or vaping on school grounds

Thank you for your co-operation.

Message from the School Council

Hello, we would like to introduce ourselves as your new School Council for this year. We are looking forward to working with Mrs McGuigan with some exciting new initiatives. On of these being the school's new values, introduced at the beginning of term. The 6 school values are respect, consideration, kindness, appreciation, patience and empathy. We will be counting the golden tokens awarded by children.

We are also keen to continue our links with the children in Uganda and will work hard to ensure we can do all we can to help them flourish just like us. To be a good school council we will make sure we listen to the thoughts of our classes and discuss these within the weekly meetings.

Rosie, Mayson, David, Alexandra, Kane, Samuel, Megan, Cleo, Tyrell, Alfie, Erin and Charlie

NSPCC Assembly - 19th September

Pupil Voice:

Alex Y3: “It was really good because I didn't actually know about the Child-line number.”

Freddie Y3: “It was very good because they told us what to do if we have a problem and stuff”

Alex-Sandra Y6: “It was about the NSPCC and it was telling us about abuse and it was very educational”.

Jack Y6: “The assembly was sad because people get hit and bullied. I will now tell an adult if it happens to me”.
